MESSAGE FROM THE DESK OF M.D

- Education is a process of gathering knowledge by developing the power of intelligence conscience and ability of judgement through continuous evaluation and construction of experiences and skills.

Education develops and polish the inherent potentials of one self for his personnel as well as social and national development. Education is that light which eradicates all darkness and enlightens the society and the social beings. It is the education which lead us to the modern civilization from the primitive darkness. Moreover the primary education is the pillar of formation of develop nation.

- Red Rose Academy aims to give education to the students to its entirety by nourishing and nurturing the inherent ability of the student to their excellence in all respect to face every crucial field of life. It is our inherent effort with the help of efficient energetic and sincere, teaching staff to provide advance and innovative education to the generation to succeed in every aspect of life. Knowledge is power and our institution emphasising from the core of its heart in generating this power and the society at large by way of comprehensive education. The education of the institution shall not restricted to the bookish knowledge but also it will impart education to strengthen the moral and ethical foundation and to develop their personality and extra curricular activities.

- I would like to extend my heartfelt to my colleagues, patrons of the area, educationist, advisor and staff for their cooperation, support, dedication to materialised and the Management of Red Rose Academy will remain ever grateful to them.

- I expect cordial support co-operative and suggestion from them during the process to achieve our cherished goal.

Akmal Hussain Barbhuiya
Managing Director

OBJECTIVES AND COMMITMENTS

To ensure modern Teaching, Learning & Evaluation process and to minimize the gap amongst students, school and the parents, the school either has implemented or going to implement the following objectives & methods.

Latest teaching learning techniques & methods like interacting sessions, counselling sessions, and group discussions will practice in intellectual regular frequency not only to generate intellectual growth among the students but also to know them completely, their likes, dislikes, their inherent potentials etc.

To bring out fundamental change in the method of teaching so that even weak students gets special attention, can feel free to share & to get- rid of their problems which ultimately help them to keep away from menace of private tuitions.

Every student is regularly assessed and will be given a package of adequate amount of academics along with the provision for developing non-academic skills and talents. The time table is framed in such a way that student can enjoy the right kind of mixture of both academic and non-academic activities.

The education imparted here is characterized by thoroughness, high principles and with devotion which helps the students to grow responsibility is of paramount importance.

Feedback method in its extensive form has been practiced where opinion, advices and suggestions from every corner including students parents teachers, non-teaching staff, well-wishers & from academicians of repute are sought and thereby considerations and modification are made according to need.

PARENT-TEACHER MEET/MODES OF COMMUNICATION

- 1) A regular school parent teacher interaction is essential for the systematic following up of a child.
- 2) The school arranges special Parent Teacher Meeting quarterly where presence of a parent is of utmost importance. A unique feature at R. R. Management remains present at PTM and evaluate personally all the proceedings of the meeting and steps taken accordingly.
- 3) Remaining absent in PTM is always considered as short coming. Absent in three consecutive PTM without prior permission from the academy will lead to the suspension of his/her ward from the school.
